- Hold at least Bachelor Degree in IT or related field
- Be 20 to 30 of age
- Speak English (& Vietnamese is a plus)
- Apart from basic IT literacy, have a good command of the following applications:
 - + PowerPoint
 - + CorelDraw
 - + Illustrator
 - + PhotoShop
 - + Video Editing/Software
 - + Data Processing (MS Access is a plus)
 - + Web Design

NB: Although experience in movie post-production is preferable, in this job, your attitude is more important than your qualifications!

Job Description:

- Process and analyze data
- Create animated training material
- Customize photos/videos for our training purpose
- Type out or design company files for marketing and information purpose
- Get involved in or facilitate activities organized by the team (including occasional weekend work)
- Assist Media Director if need be
- Market trainings and other products of the company, if you wish to, to the wide public (individuals, companies, NGOs, etc)

Job Benefits:

- Get exposed throughout South-East Asia (especially to Vietnam and Singapore)
- Get trained by experienced Cambodian & foreign mentors
- Get familiarized with business concepts and practices
- Develop your creative juice and use it for a good cause
- Receive decent commissions and bonuses for each successful sale, in case of marketing our training/product on top of your assigned tasks, regardless of per diem for eventual weekend jobs
- Have the chance to become a professional graphic designer & share company profits, according to attitude improvement.
